

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 22, 1995

SUBJECT: **SB 1429 - HB 1067**

This bill, if enacted, will provide that if an annexation ordinance and plan of service document includes less than 20 property owners, except in Davidson and Moore Counties, the notice of the public hearing shall include the county tax number and parcel number, street address of the property when practicable and each property owner's name and last known mailing address. This notice is to be published in a newspaper of general circulation at least 15 days prior to passage of the ordinance on final reading.

The fiscal impact from enactment of this bill is estimated to be an increase in local government expenditures to identify and list property owners and for publishing such notice in a newspaper. A reasonable estimate of the increase cannot be determined but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
